St. JOSEPH'S INSTITUTE OF TECHNOLOGY

Old Mamallapuram Road, Semmancheri, Chennai, Tamil Nadu 600119

ABOUT THE COLLEGE

St. Joseph's Institute of Technology, founded by the St. Joseph's Group of Institutions in 2011, is a Christian Minority Institutions with six UG streams, CSE, IT, EEE, ECE, MECH, CIVIL. The College has well-equipped laboratories, workshops and classrooms. The students are provided with exceptional Academic ambience by virtue of the pre-eminent faculty.

Our college as one of the leading Engineering colleges, focuses on inculcating not only knowledge but also good ethics to the budding Engineers of Future India. This is essentially the crux of St. Joseph's Institute of Technology.

SCOPE OF THE CONFERENCE

The 2nd International Conference on "Recent Trends in Engineering and Technology" is being organized by all the Departments of St. Joseph's Institute of Technology. The primary goal of the conference is to promote research and developmental activities in the recent trends in Engineering and Technology. It also helps to unite the great minds who believe in the need, for a technologically literate society. This conference on the "Recent Trends in Engineering and Technology" promises enormous potential to stimulate educational opportunities to the researchers, academicians and postgraduate students.

It is a powerful tool for the educators to interact with their peers, share knowledge and ideas. It also offers innovative technical resources to support professional learning for educators and education leaders. The two days conference comprises of keynote speeches and paper presentations in different sessions. It also provides the participants with the prospect of getting acquainted with the Recent Trends in Engineering and Technology, which helps in updating their knowledge thereby upgrading their organization and the overall research Society.
